See our referral program in action!

At KIGS Media, we believe great things happen when people work together. That's why we're excited to launch our Referral Program designed to reward YOU for helping us grow our network of advertising screens.

How it works

Simply refer businesses, locations, or advertisers to KIGS Media. When they sign up, you earn a generous commission every month they stay with us.

It's that simple!

Commission Structure

Tier 1 (Clients 1–10):

Earn 30% of the monthly package rate for the first 10 clients you refer.

Tier 2 (Client 11 and beyond):

Earn 35% of the monthly package rate for each additional client.

This means the more clients you bring in, the more you earn and the higher your rewards!

- Simple & transparent: You always know what you'll earn.
- Win-win: You help us grow while earning steady income.

How to Get Started

- Fill out the referral partner form.
- Start referring businesses to KIGS Media.
- Watch your commissions grow every month!

Commission is for the life of the contract. This means commission is ongoing as long as revenue is ongoing.

Commission structure is "locked" by client cohort. This means:

Clients 1–10 → You always earn 30% recurring on these, no matter how many total clients you eventually refer.

Client 11+ → You earn 35% recurring on all new clients from #11 onward while still keeping 30% from the first 10.

Thank you.
